## CORRECTION

### **Bach DS. Echo/Doppler Evaluation of Hemodynamics After Aortic Valve Replacement: Principles of Interrogation and Evaluation of High Gradients. *J Am Coll Cardiol Img* 2010;3:296–304.**

On page 298, right-hand column, the second of three equations is incorrect. The correct equation is printed below:

$$\text{Pressure recovery (mm Hg)} = PG_{\text{max}} \times 2 \times (\text{EOA}/\text{AOA}) \times (1 - [\text{EOA}/\text{AOA}])$$

We apologize for this error.
